EVERY FAMILY SHOULD JOIN !!!  
**Jai Bolo Hanumanki !**

### Frequently asked questions and answers

#### What are the plans?

We propose to build a 1000 square feet "Hanuman Temple" shaped like a Lotus in the Wetland Pond. On the roof we plan to install a 20ft single piece (Granite) Hanuman with a 4 ft high pedestal. Lord Hanuman's feet can be accessed in good weather days. Inside the Temple we plan to have 4 to 6 GARBHA GRUHAM Hanuman Avatars from various regions of India. This Temple will be open the same hours as Main Temple. Devotees can offer their prayers every day. We applied for permission from New Castle County and hope to receive it by end of 2018. Please let us know if you have any specific suggestions. All Hanuman Sevas (archanas, abhishekam, vada mala) and Satsangs are being planned.

#### What is the architectural style ? Will it blend with temple ?

We are going to make sure the authentic Hindu temple look will be preserved. As the centerfold depicts the majestic 25ft tall Hanuman will blend in with Rajagopuram and Prakaram and Wedding Hall. It will be an eye catching and soul pleasing structure. A large "Meditation Garden" in front of the Hanuman temple is being added as a "Green" element.

#### Are donations tax deductible?

We are a non-profit organization and donations are tax deductible. However, consult your tax advisor. We encourage donation of appreciated stocks. This will save you Capital Gains tax.

**Your pledge can be paid in installments. We will work with you.**

#### What is the Budget ? Time line ?

Estimated cost is about \$1.0MM. Project Planning is in progress. We hope to place order for the long lead items - Vighrams soon. With Maha Lakshmi 's grace , we hope to have the Kumbha abhishekam ceremony Memorial Day week or July 4<sup>th</sup> in 2020.

*(Disclaimer: These are Preliminary plans. We reserve the right to make changes as needed)*

#### Pledge now, pay in 2020

Item	Sponsorship	#
Moola Vighraha Hanuman	\$100,001	5
